Supported Specialty WebEOC Boards
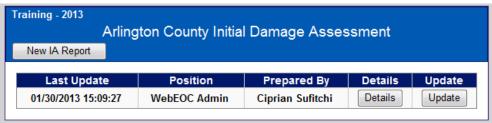

Initial Damage Assessment (Version 1.0)	Incident Dependent

Description: This board maintains a record of initial damage assessments based off the VDEM board. (Future enhancement is to have this board so you can update directly to the VDEM system)

Views: There is one main list view and display for this board.

**List View –** The list view enables the user to create a new record as well as edit data recorded.

Training - 2013
