Staff Status	(Version1.0)	Incident Independent																					
Description: This board facilitates the tracking of staff members on duty or on call status.																							
Views: This board offers a list view and an input/edit view. It also provides a list view for users to modify their individual records with the ability to view others.																							
List View – This view lists staff members recorded with their status information.																							
 <table border="1"><thead><tr><th>Last Name</th><th>First Name</th><th>Contact Number</th><th>Working Status</th><th>On Call Status</th><th>Comments</th><th>Action</th></tr></thead><tbody><tr><td>Doe</td><td>John</td><td>7034445678</td><td>On</td><td>Off</td><td>With everything that is provided, we as</td><td><input type="button" value="View"/> <input type="button" value="Edit"/></td></tr><tr><td>Smith</td><td>Jane</td><td>7091932322</td><td>On</td><td>On</td><td>Persons interested in emergency managem</td><td><input type="button" value="View"/> <input type="button" value="Edit"/></td></tr></tbody></table>			Last Name	First Name	Contact Number	Working Status	On Call Status	Comments	Action	Doe	John	7034445678	On	Off	With everything that is provided, we as	<input type="button" value="View"/> <input type="button" value="Edit"/>	Smith	Jane	7091932322	On	On	Persons interested in emergency managem	<input type="button" value="View"/> <input type="button" value="Edit"/>
Last Name	First Name	Contact Number	Working Status	On Call Status	Comments	Action																	
Doe	John	7034445678	On	Off	With everything that is provided, we as	<input type="button" value="View"/> <input type="button" value="Edit"/>																	
Smith	Jane	7091932322	On	On	Persons interested in emergency managem	<input type="button" value="View"/> <input type="button" value="Edit"/>																	
Default Features <ul style="list-style-type: none">• Search capability on the last name and first name fields for the specified text• Data filtering by <i>On Call Status</i> or <i>Working Status</i> by selecting the appropriate choice from the drop down list.• New record creation by clicking the <i>Add Staff</i> button.• Sort capability on the Last or First Name by clicking on the corresponding column header/field title.• <i>Edit</i> button to modify/add item information• <i>View</i> button to view the details for the staff member• <i>Print to PDF</i> capability																							
The list view for the user to modify their record is similar to above, except the Add button is not available and the only record that will have the Edit button will be the user's specific record.																							
Variations: None																							

Supported Specialty WebEOC Boards

Input (Edit) View – This view is for adding/editing staff information

The screenshot shows a web form for adding or editing staff information. It includes the following fields:

- Last Name: Text input field
- First Name: Text input field
- Contact Phone Number: Text input field
- Username: Drop-down menu
- Working Status: Drop-down menu
- On Call Status: Drop-down menu
- Comments: Large text area with a vertical scrollbar
- Remove?: Checkbox

Default Features

- Drop down lists to maintain data consistency
- *Spell Check* button to ensure correct spelling
- Text area to record comments relative to the staff member
- Remove checkbox to hide the staff member record from further displaying

The edit view for the user is similar except the name and contact phone number may not be modified. For changes to those fields the administrator must be contacted.

Variations: None
