

# Supported Specialty WebEOC Boards

<b>School Security Dispatch</b> (Version 1.0)		<i>Incident Based</i>	
<b>Description:</b> This board provides an area to record and display brief summary information for an operational period.			
<b>Views:</b> This board offers two list views—one for making new entries and updates and the other for viewing only—and detail views for additional information.			
<b>List View -</b> This list view displays dispatch information for schools as well as what type of event the dispatch was issued. The Date/Time the event was reported, the school involved, the event type, status and event description display.			
			
<b>Default Features</b>			
<ul style="list-style-type: none"> <li>• <i>Update</i> button for modifying the dispatch entry. This button only appears if you have been granted privileges to do so.</li> <li>• <i>Details</i> button to access the details for the dispatch event.</li> <li>• <i>New Entry</i> button for creating a new dispatch record</li> <li>• Search capability on the school, the call summary, the notes, the event type and the event description fields</li> <li>• Status background colors for easy identification of a record's status</li> <li>• Filter button to view either Open Events or All Events.</li> </ul>			
<b>Variations: None</b>
