## School Ticket Tracking Board (Version 1.0) *Incident Independent*

**Description:** This board facilitates the tracking of work tickets for the jurisdiction's schools.

**Views:** This board offers a list view, a detail view and an input/edit view.

**List View –** This view lists tickets with the creation date and the school/office name.

The screenshot shows the 'LCPS Tickets' web application interface. At the top, there is a header with 'Training - 2011' on the left, 'LCPS Tickets' in the center, and 'Type of Work' and 'Type of Equipment' dropdown menus on the right. Below the header is a navigation bar with a 'New Ticket' button, a search input field, and 'Search' and 'Clear Search' buttons. The main content area displays a table with the following data:
