

Supported Specialty WebEOC Boards

Training, Exercise and Drill (TED) board (Version 1.0) *Incident Independent*

Description: This board captures people/staff and Training, Exercise and Drill (TED) information that can be used together to track TED history.

Special Note: This board utilizes special server side code that must be installed prior to usage.

Views: There is a main list view for this board along with two supporting list views. This board was designed as an administrative tool so no view only displays are provided.

List View – This list displays the individuals and the TEDs they have participated in or completed.

The screenshot shows a web interface titled "Training - 2012" with a "Print To PDF" button. The main heading is "WebEOC Training/Exercises/Drills". Below the heading is a search bar with "Search" and "Clear Search" buttons, and two dropdown menus for "Year" (set to "All") and "Type" (set to "All"). The main content is a table with the following data:

First Name	Last Name	Training/Exercise/Drill
Maria	Smith	2012 - Drill
Maria	Smith	2013 - Exercise
Maria	Smith	2014 - Drill
Jane	Doe	2012 - Training
Maria	Smith	2014 - Exercise
Jane	Doe	2013 - Exercise
Jane	Doe	2012 - Drill
Jane	Doe	2011 - Drill
		2011 - Drill

Default Features

- Search capability on the Last Name, First name or TED fields for specified text
- Data filtering by Year or by TED Type using the dropdown list of options.
- Sort capability on the First or Last Name fields by clicking on the corresponding column header/field title.
- *Print to PDF* button to print displayed data

Variations: None
